Coolvista™

DIANELLA

An ornamental grass that keeps its lovely blue-gray color and thrives in full sun, what's not to love? Add heat and drought tolerance, plus a small stature, and you have a true winner! Try this upright, spiky beauty alone or paired with other sun-loving plants in containers, or use as an eye-catching border. Royal blue berries add to the display each spring.

USE

Accent, Mass Planting

FEATURE

Upright, blue-gray foliage branches easily

GROWTH RATE

Slow to moderate

WATER

Medium

SOIL

Well-drained garden soil

FERTILIZE

Moderate Feeder

PRUNE

None needed
